

deliver a copy of Druthers to Justin Trudeau. This creates a situation where the local police and even the mayor of Ottawa cannot legally tell the truckers to leave as they are contracted to be there to make a delivery.” The group has raised over \$100k.² The address where the papers will be delivered has not been disclosed.

FIRST MILESTONE REACHED IN UNDER 48 HOURS!

Way to go Canada! Because of you, we are hiring 5000 truckers.

There are an estimated 5000 truckers in the core of Ottawa. Those are the truckers we are hiring first and that is what the first \$100k of funding will be used for.

Next is to begin hiring the truckers who are sitting outside the city and who are blocked by police from entering. There are many 1000's of them not being allowed into the city so the next \$100k will be used to hire 5000 more truckers to give them the legal right to enter the city.

Total current goal; \$200,000 to hire 10,000 truckers.

Let's keep it going. This initiative will throw a wrench into the gears of the system and will help keep the protest legal, lawful & most importantly, peaceful.
